

# Best Practices for Creating Research *Posters and Oral Presentations*

Prepare to shine at the 20th Annual Student Research Conference (SRC) and beyond with this essential workshop! Learn to design visually impactful posters and compelling oral presentations that effectively showcase your research findings. Whether you're a first-time presenter or refining your skills, this workshop provides tailored tips and strategies to ensure your hard work stands out. Don't miss this opportunity to elevate your presentation and make a lasting impression at SRC!

With Dr. Monique Turner, Department of Psychology.
