

# Mastering the Art of Research Presentations

In today's competitive academic and professional landscapes, the ability to present research effectively is crucial for success. Mastering the Art of Research Presentation is designed to equip students with the skills and techniques necessary to communicate their research findings with clarity, confidence, and impact. In this workshop, students will explore the fundamentals of creating compelling presentations, including structuring content, designing visual aids, and delivering a persuasive message.

**With Professor & Speech Coach Shaunté Caraballo, Department of Theatre Arts & Dance**

**TUESDAY**  
**FEB 18<sup>th</sup>**

**2:30-3:30 PM**

**Location: LSU Meeting Room 320**
